2026
GRAND CHEROKEE
BUYER'S GUIDE

Properly secure all cargo. Always tow within the vehicle's capacity.

A CULTURED APPROACH TO ADVENTURE

Seeking the unknown is at the heart of adventure, and the generously equipped Jeep® Grand Cherokee is designed to smooth out every encounter. The quintessential SUV (with the awards to prove it), Grand Cherokee anticipates every situation with choices that include revamped 4x4 power and capability, advanced safety features, accommodating interiors and captivating entertainment options. From everyday errands to white-knuckle mountain passes, Jeep Grand Cherokee goes beyond the expected and encourages your sense of wonder.

THE MOST AWARDED SUV EVER^{1*}

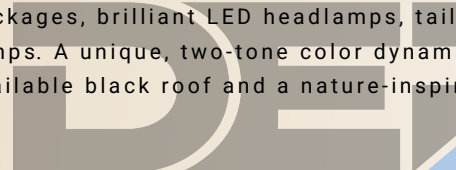

A RESILIENT BACKSTORY Despite its attention to creature comforts, Jeep® Grand Cherokee never forgets its “Go Anywhere, Do Anything®” roots. Rolling in from the fields and beaches of World War II, the Jeep® Brand soon established itself as a world leader in 4x4 technology and the freedom it embodies. Representing an evolution of the Brand, today’s Grand Cherokee combines ruggedness with class-leading luxury,² and offers an innovative powertrain with the new 2.0L Hurricane 4 Turbo engine and the next generation 8-speed automatic transmission.

REFINED DESIGN THAT DEFIES TIME Starting with an updated front grille and fascia that retain Jeep Brand styling cues, the exterior design of Grand Cherokee makes for a striking figure against any urban or mountain backdrop. Strong lines are accented with eye-catching wheels, available dramatic dark trim packages, brilliant LED headlamps, taillamps and available fog lamps. A unique, two-tone color dynamic is created with the available black roof and a nature-inspired paint selection.

DELIVERING NEW HORIZONS Jeep Grand Cherokee climbs to new heights in technology, making for more confident and safer travels. The Active Driving Assist³ and available Hands-Free Active Driving Assist⁴ systems utilize cameras and sensors to assist with steering, lane changes, distance—even driver attentiveness. Available Night-Vision Pedestrian/Animal Detection⁵, 360° Surround-View Camera System⁶ and other detection features help you anticipate what’s out of sight. Plus, Jeep Connect⁷ keeps you in touch and in control through your phone and Uconnect® system.

*A note about this brochure. All disclosures can be found on the last page.

INVITING, PLUSH, SPACIOUS, THOUGHTFUL and endlessly accommodating. You could say the Jeep® Grand Cherokee interior is less “cabin” and more “world-class luxury destination.” Generously sized for up to seven people and up to 84.6 cubic feet of cargo room, it features lush surfaces, available 16-way seat adjustments, available memory presets, an available massage mode and available multicolor ambient LED mood lighting. Luxury home audio company, McIntosh®, provides an available 17-channel amplifier delivering up to 950 watts of power through 19 custom-designed speakers and a 10-inch subwoofer. Superior connectedness and GPS Navigation® are delivered by the all-new Uconnect® 5 NAV system’s larger 12.3-inch touchscreen, now standard on every Grand Cherokee. A class-exclusive, available front-passenger interactive touchscreen display® gives your co-pilot their own screen to help with navigation and entertainment selections, while the available 10-inch Head-Up Display projects essential driver information at eye level on the windshield.

LAREDO ALTITUDE

STANDARD

BUILD YOURS >

(1) Jeep Grand Cherokee has received more awards in its lifetime than any other SUV. Based on the latest available competitive information. (2) Based on Summit Reserve model offerings and Ward's Middle Sport/Utility vehicle segmentation, excludes other FCA US LLC vehicles. Based on the latest available competitive information. (3) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (4) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (5) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (6) Always check entire surroundings visually before proceeding. (7) All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), up to five years of Vehicle Performance Package, up to 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrollment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. (8) This system is not intended to be used while vehicle is in motion. (9) Based on Wards Middle Sport/Utility vehicle segmentation, excludes other FCA US LLC vehicles. Based on the latest available competitive information. (10) All SiriusXM services require a subscription, sold separately by SiriusXM, after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after the trial, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all

related logos are trademarks of SiriusXM Radio Inc. and its respective subsidiaries. (11) Three-month / 3GB trial included with the purchase or lease of a new vehicle. Upon the earlier of either the expiration of the trial period or usage of included 3GBs, the trial ends. Purchase of a subscription is required to continue service. Wi-Fi Hotspot available through third-party provider subscription and subject to provider terms and conditions. Requires eligible vehicle with Internet-enabled mobile device. Contact your dealer for details. Wi-Fi Hotspot functionality available in U.S. and Canada only. Coverage and service not available everywhere. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (12) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries. Apple terms of use and privacy statements apply. (13) To wirelessly use Android Auto on your display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/ requirements. Android Auto is a trademark of Google LLC. (14) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (15) Always sit properly in designated seating positions with seat belts securely fastened at all times. (16) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (17) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Always check traffic signs visually while driving. (18) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (19) Always check visually for vehicles prior to changing lanes. (20) Check state and local laws regarding the use of remote start systems. (21) Vehicle must be locked and system activated for alarm to sound. (22) This system is an alert system for the front and sides of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (23) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (24) Not compatible with all garage doors. (25) Always be aware of your surroundings and drive carefully, consistent with conditions. (26) Vehicle must be in an active and usable cellular range and properly equipped with a Uconnect 5 NAV system and Rear-Seat Entertainment with Amazon Fire TV Package. Streaming requires a Wi-Fi connection and registered Amazon account. Streaming service subscriptions are not included. Services and

features are subject to change or withdrawal at any time, may not be available in all areas and languages, and may require separate subscriptions. Amazon, Fire and all related marks are trademarks of Amazon.com, Inc. or its affiliates. (27) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.
